Coverage for: Individual/Individual + Family | Plan Type: OAP

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, go online at www.cigna.com/sp. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. | Important Questions   | Answers  | Why This Matters:  |  |  |  |
| What is the overall<br><u>deductible</u> ?  | For <u>in-network providers</u> : \$500/individual or \$1,000/family<br>For <u>out-of-network providers</u> : \$1,000/individual or \$2,000/family   | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .  |  |  |  |
| Are there services covered<br>before you meet your<br><u>deductible</u> ?                                       | Yes. In-network <u>preventive care</u> & immunizations, office visits,<br><u>diagnostic test</u> , <u>prescription drugs</u> , emergency room visits, <u>urgent</u><br><u>care</u> facility visits, out-of-network <u>preventive care</u> &<br>immunizations through age 15. | This <u>plan</u> covers some items and services even if you haven't yet<br>met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may<br>apply. For example, this <u>plan</u> covers certain <u>preventive services</u><br>without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a<br>list of covered <u>preventive services</u> at<br><u>https://www.healthcare.gov/coverage/preventive-care-benefits/</u> . |  |  |  |
| Are there other <u>deductibles</u><br>for specific services?  | No.  | You don't have to meet <u>deductibles</u> for specific services.   |  |  |  |
| What is the <u>out-of-pocket</u><br><u>limit</u> for this <u>plan</u> ?   | For <u>in-network providers</u> : \$3,000/individual or \$6,000/family<br>For <u>out-of-network providers</u> : \$6,000/individual or \$12,000/family<br>Combined medical/behavioral and pharmacy <u>out-of-pocket limit</u>   | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.  |  |  |  |
| What is not included in the<br>out-of-pocket limit?   | Penalties for failure to obtain <u>pre-authorization</u> for services, <u>premiums</u> , <u>balance-billing</u> charges, and health care this <u>plan</u> doesn't cover.   | Even though you pay these expenses, they don't count toward the out-of-pocket limit.   |  |  |  |

| Important Questions   | Answers  | Why This Matters:  |
|---|--|--|
| Will you pay less if you use a<br><u>network provider</u> ?   | Yes. See <u>www.cigna.com</u> or call 1-800-Cigna24 for a list of <u>network providers</u> . | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan</u> 's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider</u> 's charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware your <u>network</u> <u>provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a <u>referral</u> to see<br>a <u>specialist</u> ? | No.  | You can see the specialist you choose without a referral.  |

All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.

#### About these Coverage Examples:

This is not a cost estimator. Treatments shown are just examples of how this <u>plan</u> might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your <u>providers</u> charge, and many other factors. Focus on the <u>cost sharing</u> amounts (<u>deductibles</u>, <u>copayments</u> and <u>coinsurance</u>) and <u>excluded services</u> under the <u>plan</u>.
